June 2016

TRANSFER SITE FEES

As of June 1, 2016 The Town of Spiritwood transfer site increased the fees. This increase is due to the significant increase implemented by Highway 55 Waste Management Corporation (landfill).

Building a deck?

If you are planning on building or replacing a deck, you need to obtain a development permit from the town office.

Main Street Saskatchewan

The Main Street Saskatchewan Grant Program (MSSGP) supports the implementation of the Government of Saskatchewan's Main Street Saskatchewan program by providing funds to local Main Street organizations and property owners for community organization, economic restructuring, marketing, heritage conservation and design projects. The MSSGP is administered by SaskCulture Inc. on behalf of the Government of Saskatchewan. There are two different levels of grant funding available for Main Street communities. The first level is a Heritage Conservation Grant. This provides funding up to \$20,000 in a matching grant to buildings that are 40 years of age or older. The second level is a Community Enhancement Grant. This provides funding up to \$10,000 in a matching grant for all projects on Main Street including but not limited to: sidewalks, street furniture, landscaping, wayfinding signs and plaques, etc. Contact Brooklyn Orange at brooklyn.orange@nledc.com or 306-883-9494 for more information on the Main Street Saskatchewan Grant Program.

After Hours Emergencies

In the event of an emergency, an on-call person can be contacted at 306.841.7780. This number will only be in service during the hours, which the Town Office is closed.

Leash Your Pooch!

Please remember to ensure your dog is on a leash when being walked around town. All dogs found off of the premises of the owner not on a leash held by a person able to control the dog are considered to be running at large. If a dog is found running at large you may receive a fine.

Parking of Trailers & Campers

Please be mindful of parking of trailers & campers for extended periods of time. There is a bylaw in place which prohibits parking of trailers and campers on any street in Spiritwood for more than 48 consecutive hours. If you are parking your camper off to the side of the street, please be courteous and avoid restricting sightlines for intersections and driveways.

Public Works Updates

This summer you will notice road repair work being done around town. An asphalt repair company has been employed to repair potholes on Main Street. The Town has also purchased a stockpile of cold mix so that the Town Maintenance Crew will be able to repair other roads throughout town. We ask that drivers be courteous while crews are at work.

Meet our newest team member!

We would like to offer a warm welcome to a new staff member! Town Council and Administration is excited to announce that **Brett Vestby** has joined our team as the Recreation Director. He comes to us with a degree, a Bachelor of Tourism & Recreation Management from Vancouver Island University in Nanaimo, BC. Please welcome Brett to our community!

Rec Lotto 2016

Congratulations to all the winners of the 2016 Spiritwood Rec Lotto! Thank you to all the volunteers who put in many hours to help run a successful lotto. Thank you also to everyone that supported the lotto by purchasing tickets this year. The money raised this year went toward the facility mortgage.
