**PART I
CODE OF ETHICS**

Code of Ethics for Members of Council

Preamble

As members of council, we recognize that our actions have an impact on the lives of all residents and property owners in the community. Fulfilling our obligations and discharging our duties responsibly requires a commitment to the highest ethical standards.

The quality of the public administration and governance of the Town of Spiritwood, as well as its reputation and integrity, depends on our conduct as elected officials.

Purpose and Interpretation

The purpose of this code is to outline basic ethical standards and values for members of council. It is to be used to guide members of council respecting what their obligations are when fulfilling their duties and responsibilities as elected officials.

This code is to be interpreted in accordance with the legislation applicable to the municipality, the common law and the policies and bylaws of the municipality.

Neither the law nor this code is to be interpreted as exhaustive, and there will be occasions on which a council will find it necessary to adopt additional rules of conduct in order to protect the public interest and to enhance the public confidence and trust in local government.

It is the responsibility of each member of council to uphold the standards and values set out in this code.

Standards and Values

a. Honesty

Members of council shall be truthful and open in their roles as council members and as members of the communities they serve.

b. Objectivity

Members of council shall make decisions carefully, fairly and impartially.

c. Respect

Members of council shall treat every person, including other members of council, municipal employees and the public, with dignity, understanding and respect.

Members of council shall not engage in discrimination, bullying or harassment in their roles as members of council. They shall not use derogatory language towards others, shall respect the rights of other people and groups, shall treat people with courtesy and shall recognize the importance of the different roles others play in local government decision making.

d. Transparency and Accountability

Members of council shall endeavour to conduct and convey council business and all their duties in an open and transparent manner, other than those discussions that are authorized to be dealt with in a confidential manner in closed session, so that stakeholders can view the process and rationale used to reach decisions and the reasons for taking certain actions.

Members of council are responsible for the decisions that they make. This responsibility includes acts of commission and acts of omission.

e. Confidentiality

Members of council shall refrain from disclosing or releasing any confidential information acquired by virtue of their office except when required by law or authorized by council to do so. Members shall not take advantage of or obtain private benefit from information that is obtained in the course of or as a result of their official duties or position and that is not in the public domain. This includes complying with *The Local Authority Freedom of Information and Protection of Privacy Act* in their capacity as members of council of a local authority.

f. Leadership and the Public Interest

Members of council shall serve their constituents in a conscientious and diligent manner and act in the best interests of the municipality. A member shall strive, by focussing on issues important to the community and demonstrating leadership, to build and inspire the public's trust and confidence in local government.

Members of council are expected to perform their duties in a manner that will bear close public scrutiny and shall not provide the potential or opportunity for personal benefit, wrongdoing or unethical conduct.

g. Responsibility

Members of council shall act responsibly and in accordance with the Acts of the Parliament of Canada and the Legislature of Saskatchewan, including *The Municipalities Act*.

This duty includes disclosing actual or potential conflicts of interest, either financial or otherwise relating to their responsibilities as members of council, following policies and procedures of the municipality, and exercising all conferred powers strictly for the purpose for which the powers have been conferred. Every member of council is individually responsible for preventing potential and actual conflicts of interest.

h. Acceptance of Gifts

No Members of Council shall show favoritism or bias toward any vendor, contractor or others conducting business with the Town of Spiritwood. Members of Council shall not accept or provide gift or favor in exchange for special treatment other than the normal exchange of gifts between persons doing business together or the normal presentation of gifts to persons participating in public functions.

Accepting lunch, small gifts such as caps, mugs, etc. used as promotional items are considered normal exchange of gifts of doing business together.

i. Use of Municipal Property

Technology resources are to be used primarily for municipal business purposes to safeguard and protect the municipality's assets and information. Members of Council shall avoid accessing websites or engaging in email exchanges that could be considered inappropriate.

Members of Council will safeguard and protect municipal assets. No Members of Council shall request or permit the use of municipal property, equipment, supplies or services for personal convenience or profit.

PART II CONTRAVENTION OF THE CODE OF ETHICS
