TOWN SQUARE

Northern Lakes Economic Development along with a number of volunteers have been working very hard on this project. The square is yet to have the 'Fast Genetics Silver Buckle Bandshell' constructed and sod to be laid. **The GRAND OPENING is set to take place July 1st, 2020!** A federal grant has been received again this year to celebrate Canada Day, and we will be dedicating that (and more) to a great firework show! There will also be music all day in the Town Square, some speeches and a potluck picnic. Watch out for posters and a Facebook event with more details. Thank you to everyone that has donated or volunteered towards this project so far. We look forward to having the residents being able enjoy having this feature in our community.

SIDEWALKS

Town Council has approved a three-year plan to repair main street sidewalks, consisting of new concrete and/or resurfacing depending on the condition. This year the section being repaired is on East side of Main Street. The contractors will begin in front of the Spiritwood Confectionary and work their way to the Town Square.

Reminder that social distancing plays a key factor in stopping the spread of this virus. If possible, please stay home & **WASH YOUR HANDS!**
