

TOWN OF SPIRITWOOD

JUNE 2021 NEWSLETTER

BOATS, CAMPERS & RVs

As everyone prepares for the summer months, Council would like to remind residents that boats, campers, trailers, RVs, etc. shall not be parked on the street for more than 48 hours. Please respect your neighbours and other drivers by finding alternative parking for your boats and campers.

UNTIDY & UNSIGHTLY PROPERTIES

Please ensure that your grass is cut, trees are trimmed, weeds are not overgrown, etc. to be compliant with our nuisance bylaw. This bylaw can be viewed on the website or during regular hours.

BUILDING A FENCE

If you are thinking of building a new fence call us for a fence brochure to ensure you are following the current fence bylaws. Reminder that it is the property owner's responsibility to have the property pins marked by a licensed surveyor as the Town cannot mark property pins.

BUILDING A DECK

If you are thinking of building a new deck or changing your existing deck you will need to contact the Town Office to get the required Development Permit and Building Permit applications prior to starting your construction.
